

For The Week Of - 9/5/17

Weekly House Arts Lesson
High School

Please write a formal letter to either Betsy DeVos, United States Secretary of Education or Tom Torlakson, State Superintendent of Public Instruction for California sharing with either of them your feelings on why teaching Arts in Schools is important to your learning and will help you succeed in the future - whether you choose an artistic path or not. The SAE will mail all of these at the end of National Arts In Education Week.

Quote of The Week

“The arts are an essential element of education, just like reading, writing, and arithmetic...music, dance, painting, and theater are all keys that unlock profound human understanding and accomplishment.”

—William Bennett, Former US Secretary of Education
